

# Marx Maciel Xavier

## BUSINESS MANAGEMENT & ANALYSIS

BACHELOR OF INFORMATION SYSTEMS - UNICAMP

+55 (34) 98355-6356 · marxxavier.work@gmail.com · [linkedin.com/in/marx-xavier/](https://www.linkedin.com/in/marx-xavier/)

Motivated and results-driven Information Systems undergraduate with an American, Brazilian and Italian citizenship seeking a challenging positio. I possess an unique blend of business acumen and technical expertise that complement my passion about leveraging technology to solve complex business challenges and drive innovation that delivers significant financial value.

## PROFESSIONAL EXPERIENCE

### Aperam

#### IT Analyis

Aug 2025 - Presnt

Led a company-wide IT infrastructure migration, enhancing performance, service reliability, and cybersecurity, while simultaneously maintaining Power BI development and automating critical business processes.

#### Business Intelligence Intern

Jan 2024 - Aug 2025

Developed and implemented automated BI reports, enhancing KPI visibility organization-wide. This datadriven approach led to a 20% stock reduction, 103% margin increase, and over €200,000 in management gains.

Independently created a client lookup solution to enable precise segmentation analysis, supporting more targeted and effective sales strategies.

Designed the foundational infrastructure for ongoing and new developments, enabling agile delivery of highquality processes and solutions.

### Utopia Homes

Nov 2022 - Feb 2023

#### Software Developer

Developed and implemented high performance solutions for extracting critical data from real estate agentwebsites using advanced frameworks.

### Opção School

#### Automation Project

Leveraged Twilio and ReactJS to build a tailored chatbot solution for a school, facilitating seamless communication among students, parents, and teachers. Collaborated with the school to ensure the chatbot met specific requirements and integrated seamlessly into existing workflows.
